Constancia de Evaluación

La Serena-Chile, 06/06/ 2017

Félix Fernando González Navarro
PRESENTE

Estimado(a) colega:

Gracias por su reciente respuesta y evaluación del artículo que le fuera enviado para su revisión (5625IT-17).

Como se mencionó en nuestra carta de solicitud de evaluación, la calidad de los artículos y de la revista depende en gran parte de la rigurosidad con que se realice el proceso de revisión y evaluación de los trabajos enviados. Esta rigurosidad y responsabilidad es la que nos ha permitido lograr el prestigio y reconocimiento internacional actual, el apoyo de instituciones como del Consejo Nacional Chileno de Ciencia y Tecnología (CONICYT), nuestra incorporación a importantes Índices Internacionales y la inclusión de nuestra revista en la Biblioteca Electrónica Scielo (<http://www.scielo.cl>) y en la prestigiada base de revistas Scopus (<http://www.scopus.com>).

Por lo tanto, su tiempo y experiencia dedicados a la evaluación son reconocidos como una contribución a la difusión del trabajo de investigación en Ibero América y al fomento de las publicaciones tecnológicas y científicas. En especial porque se trata de un trabajo de revisión no remunerado por nosotros, procedimiento gratuito que usan la mayoría de las revistas internacionales de corriente principal.

Aprovechamos la oportunidad de invitar a Ud. a considerar “*INFORMACIÓN TECNOLÓGICA*” para la publicación de sus trabajos de investigación o de colegas de su grupo de trabajo. Agradeceremos también cualquier difusión que pueda hacer Ud. de la revista, dentro o fuera de su institución. El sitio oficial del CIT y la revista es <http://www.citrevistas.cl> y los todos los artículos desde el 2004 pueden ser bajados en forma libre (open access) de http://www.scielo.cl/scielo.php?script=sci_serial&pid=0718-0764&lng=es&nrm=iso

Reiterándole nuestros agradecimientos, le saluda muy atentamente

A circular blue stamp with the text 'INFORMACIÓN TECNOLÓGICA' at the top, 'EDITOR' in the center, and 'REVISTA INTERNACIONAL' at the bottom. To the right of the stamp is a handwritten signature in blue ink.
